

QUALITY POLICY

The company is managed from the address on Ballevej 11, 8300 Odder.

But valid for both production addresses (Aahavevej 13 + Ballevej 11, 8300 Odder)

The company's primary service is the processing of iron and metal and the manufacture of insulation cabinets.

“The overall goal of our work with quality, is to be able to deliver products that satisfy the costumers expectations.”

The company understands quality, as the costumer’s overall experience of the services listed below;

- Good service and flexibility
- Short production time and short response times.
- Compliance with terms and conditions
- Product in agreed quality
- Delivery on time

In a competitive market, the costumer demand and expectation are constantly in change and increasing. It’s therefore crucial, that both workflows and employees are continuously updated and developed.

The company will comply with all relevant regulatory requirements.

A handwritten signature in blue ink, appearing to read 'John Stærmosse', with a stylized flourish at the end.
